

Sherrie Wilson Introduction

- Have you ever faced an impossible situation and needed a miracle?
- Are you ready to extinguish fires in your life, while keeping the fire in your belly burning?
- Could you use ideas to negative conversations into possibility?

If you answered “yes” to any of those questions, you are in the right place!

Our speaker was the FIRST woman firefighter-paramedic in the Dallas Fire Rescue Department. She is also an expert in Health and Safety education, is a successful business owner and author.

Her book “Faith on Fire” is already being optioned for a movie, so you may see it on the big screens in the future! Her next book “Courageous Leadership” is soon to be released.

When she is not out speaking or writing, you can find her chasing her five grandbabies.

Are you ready for “**Sparks to Fly**”?

Please join me in welcoming from Dallas, Texas - Speaker, Author and original Super Hero... **Sherrie Wilson!**
